FRIENDS OF CJPL

TShirt Design

The Friends of CJPL continues to support the library with volunteers and programming, and this year has been the most unique one yet! From virtual programming to technology enhancements, the library has changed significantly! The Friends couldn't do it without your support! As we look forward, we're excited to bring back old favorites along with new, soon-to-be favorites! Follow the library's social media or provide your email address for the newsletter, to stay apprised of the latest happenings at the library and with the Friends!

Annual Fundraising Drive

We know it's not a "novel" idea, but can we count on your support?
