

OH NO! The library has been graffitied - this is what was painted on the walls when Mandy got in this morning after a holiday weekend! Can you help us solve this mystery? Take a look at the clues, then compare to the suspect boards to see if you can solve this mystery!

Here are the suspects, along with examples of their graffiti, footprints, and fingerprints, followed by all the clues found around the library.

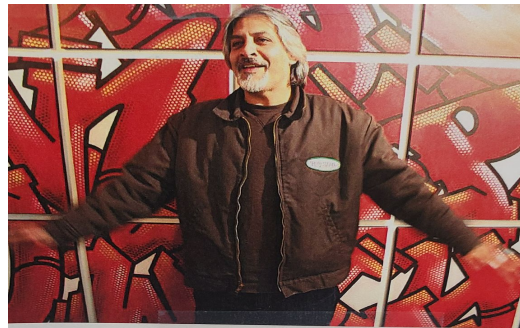

KEITH HARING

DONDI

OSGEMEOS

SEEN

OSGEMEOS was last seen in Rio de Janeiro 2 days ago.

None of the suspects will meet with police...are they guilty?

None of the suspects have graffitied in a while, except Keith.

SEEN and Keith were at Comic Con last week together and said they planned to chill at the beach after that.

SEEN's Mom was a librarian.

Lady Pink tries to include parts of the natural environment in her pieces.

An eye witness saw someone in a black hoodie running away from the library.

Dondi's tags usually include words.

No one has seen Lady Pink or Dondi in 2 months. They were last seen in Chicago.

Black hair was found at the crime scene.

These three bootprints and 2 fingerprints were also found at the crime scene.

Let the library know who you think did this graffiti!!
